2024 CORI - Renewal

This is a reminder all our volunteers of the collaborative - the 2024 CORI form is due to be renewed. We will begin to collect this information beginning the weekend of January 20 - February 24. It is mandatory by the Archdiocese that all current and new volunteers complete this form regardless of your volunteer activity with the collaborative. There will be a responsible person at each parish to collect the information - it is important that volunteers bring a current ID (License or Passport), all volunteers must be 16 years of age. In advance we thank you for your attention and collaboration with this important task. Thank you for your continued support to our collaborative. May the Lord bless you and your family in this New Year 2024!

Renovación de la forma de CORI para el año 2024

Queremos recordar a todos los voluntarios de nuestras parroquias que el formulario CORI para el presente año hay que renovarlo. Comenzaremos a recoger esta información empezando el 20 de Enero hasta el 24 de Febrero. La Arquidiócesis de Boston requiere que todo voluntario llene este requisito. Habrá una persona responsable en cada parroquia que se encargara de recoger los formularios. Es importante que todos los voluntarios lleven documentos de identificación (licencia o pasaporte). Recuerden que los voluntarios deben de ser mayores de 16 años. Gracias por su atención y colaboración. Muchas gracias por su continuo apoyo a nuestras parroquias en colaboración. Que el Señor les bendiga a usted y a sus familias en este Nuevo Año 2024.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
