## **Faith formation during the season of Lent in our Collaborative of Parishes**

Beginning **MONDAY, MARCH 3**, a series of catechesis for youth and adults will be held in our parishes in collaboration. The catechesis are talks that will last one hour, and will be as good news for those who need a word that may help them know or rediscover the riches of our faith and the gift of our Baptism, and also to experience the strength of God's love that can change our lives. Moreover, these talks are a great help for those who may be going through a particular difficult moment of their lives due to any problem or suffering. The catechesis will be given by a team from the Neocatechumenal Way and will take place on **MONDAYS & THURSDAYS**, at 7:30 pm in the chapel of the Parish of Saint Thomas of Aquinas. We will have free baby-sitting.

## **Formación a la Fe durante la Cuaresma en nuestras Parroquias en colaboración**

Comenzando el **LUNES 3 DE MARZO**, se llevará a cabo en nuestras parroquias en colaboración una serie de catequesis para jóvenes y adultos. Las catequesis son charlas que duran una hora, y son una buena noticia para los que necesitan una palabra que les ayude a conocer o redescubrir las riquezas de nuestra fe y el don de nuestro Bautismo, y también a experimentar la fuerza del amor de Dios que puede cambiar nuestras vidas. Estas charlas son además una gran ayuda para todas aquellas personas que puedan estar pasando un momento particularmente difícil en sus vidas, debido a algún problema o cualquier sufrimiento. Las catequesis las dará un equipo del Camino Neocatecumenal y se llevarán a cabo los **LUNES Y JUEVES**, a las 7:30pm en la capilla de la Parroquia de Santo Tomás de Aquino. Tendremos baby-sitter gratis para aquellos padres y madres con niños pequeños.

**A Help Button Should Go Where You Go!**

**To be truly independent, your personal emergency device needs to work on the go.**

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

**No landline? No problem!** While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
