Fifth Sunday of Lent Year B

First Reading — Jeremiah 31:31-34: God will make a new covenant with his people, which will be different from the old one. This new covenant will be written on the hearts of the people, enabling them to know God intimately and to obey him from the heart.

Responsorial Psalm — Psalm 51: A prayer for God's mercy and forgiveness, asking Him to create a clean heart within us and renew our spirits. The psalmist also expresses his desire to teach others God's ways and lead them to repentance.

Second Reading — Hebrews 5:7-9: Jesus is the perfect high priest who offered himself as a sacrifice for our sins and was obedient to God's will, even unto death

Gospel — John 12:20-33: Jesus predicts his death and the need for us to follow and serve him, even if it means giving up our own lives for his sake.

Saint Patrick

C. 389-461

FEAST DAY: MARCH 17

The patron saint of Ireland, Patrick was born in Roman Britain. He describes his life and ministry, including his work to convert the Irish people, in his short autobiography and testimony, Confessions. Kidnapped at age 16 by Irish raiders and sold into slavery in Ireland, his time spent in captivity transformed him spiritually. He was a lonely shepherd for six years before escaping and returning home.

After returning home, his dream of converting the Irish from pagan belief propelled him to priestly studies in Gaul (now France). In about 432, Pope Celestine I consecrated him as a bishop and sent him to Ireland. For nearly 30 years, he preached tirelessly, made countless converts, founded monasteries, and established the primatial see at Armagh in modern-day Northern Ireland.

Toward the end of his life, he made a 40-day retreat on Croagh Patrick mountain in present-day County Mayo. That gave rise to the pilgrimages that are made on the mountain to this day. Stories that Patrick used the shamrock to explain the Trinity and drove snakes from the island are unconfirmed legend.

A Help Button Should Go Where You Go!

To be truly independent, your personal emergency device needs to work on the go.

MobileHelp® allows you to summon emergency help 24 hours a day, 7 days a week by simply pressing your personal help button. Unlike traditional systems that only work inside your home, a MobileHelp medical alert system extends help beyond the home. Now you can participate in all your favorite activities such as gardening, taking walks, shopping and traveling all with the peace of mind of having a personal alert system with you. MobileHelp, the "on-the-go" help button, is powered by one of the nation's largest cellular networks, so there's virtually no limit to your help button's range.

No landline? No problem! While traditional alert systems require a landline, with the MobileHelp system, a landline is not necessary. Whether you are home or away from home, a simple press of your help button activates your system, providing the central station with your information and location. Our trained emergency operators will know who you are and where you are located. If you're one of the millions of people that have waited for an alert service because it didn't fit your lifestyle, or settled for a traditional system even though it only worked in the home, then we welcome you to try MobileHelp. Experience peace of mind in the home or on the go.
