El próximo Domingo 4 de Octubre, la segunda colecta es para la Universidad Católica de América.

THE CATHOLIC UNIVERSITY OF AMERICA

Next weekend, the arch/diocese will be taking up the National Collection for The Catholic University of America. Catholic University is a national research university with over 5,700 undergraduate and graduate students in more than 250 academic programs in the heart of Washington, D.C. By giving to the collection, you are supporting future Catholic leaders, both religious and lay, who are being formed by an exceptional, faith-rooted education and the University's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful. The Catholic Project - an initiative that aims to heal the breach of trust many have experienced as a result of the crisis in the Church, a master's program in Ecclesial Administration and Management, and a credentialing program that prepares recent graduates to serve as campus ministers are a few examples how the University is serving the Church and nation.
